40+ Hours of Education

“Great conference to showcase reusable technology and to connect with industry players who are eager to get involved with this growing industry .”

- 2024 Attendee

Top Attended Sessions

- Transforming Manufacturing: The Impact of AI on Quebec's Industrial Landscape
- Automation in Quebec
- Reusable Packaging Panel
- Keynote: Powering the Future: Innovations and Opportunities in Quebec's Electric Battery Industry
- Keynote: Empowering Quebec's Manufacturing Future: Innovations and Resilience in Supply Chain Management
- From Concepts to Reality: Bridging the Gap Between Technology and Industry with Next-Gen Automation
- Hannover Messe Roadshow

- Panel: Driving Collaborative Insights from Québec's Leading Innovation Zones
- Panel: Medical Automation & Assembly: Medtech in Montréal
- Panel: Building a Greener Future: Sustainable Practices in Québec's Manufacturing Industry
- Innovating to Sustainability in the Plastics Industry
- Panel: Food Manufacturing in Québec

Metro

Jo-Anne St. Godard

Executive Director at Circular
Innovation Council

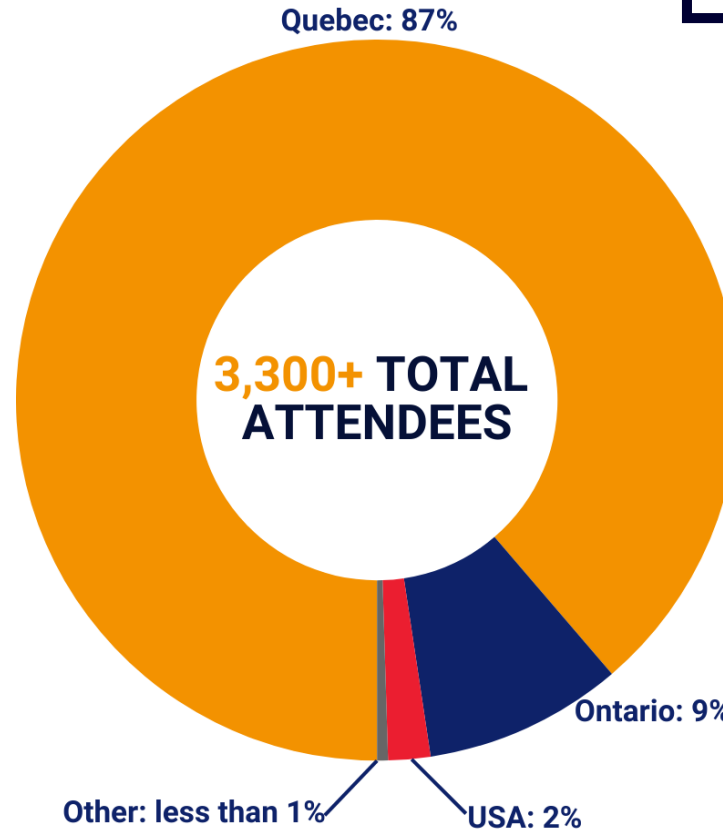

“It was an excellent opportunity and we didn't have to travel far since it was local.”

- 2024 Attendee

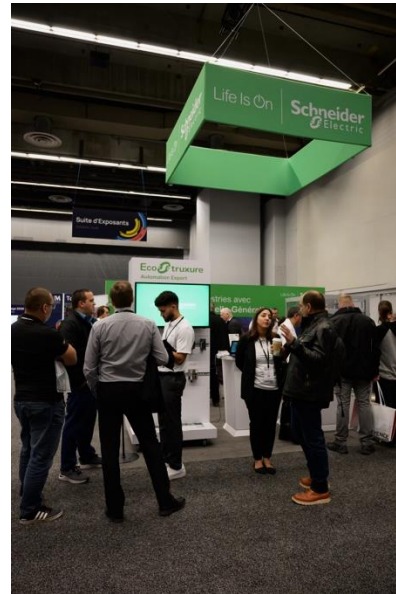

Top Attendee Areas of Interest

- Laser/Die Cutting
- Machining/Precision Machining
- Materials - Plastics/Elastomers
- Adhesives
- Contract Manufacturing
- Packaging Design
- CAD/CAM/CAE Software & Services
- Industrial Hardware
- Materials – Composites
- Coatings/Surface Treatment
- 3D Printing/Additive Manufacturing/Rapid Prototyping
- Automation/Assembly
- Robotics
- Artificial Intelligence/Machine Learning
- Packaging Equipment/Machinery
- Applying Machinery
- Business Services
- Industrial Packaging
- Manufacturing Equipment

Attend alongside your industry peers such as:

96% of attendees were **satisfied or very satisfied** with ADM Montréal event.

9 in 10 attendees said that **ADM Montréal helped them meet new companies/exhibitors** that they didn't know about.

7 in 10 attendees expressed **interest in returning** next year.

Other notable companies include:

Alamo Roadway Materials
Berry Global
Bio Biscuit

CAE
CANON CANADA
Ubisoft

“I found what I was looking for...I found a new company that does exactly what I need to do.”

– Engineer, Georg Fischer

“Awesome show. Well laid out. Lots of opportunity to meet new industrial partners.”

– Executive Director North America, AIGI Environmental

“A spectacular event with many exciting technologies. Many hands-on exhibits to really demonstrate the quality of products being offered.”

– North American Maintenance & Automation Specialist, Vuteq Canada Inc.

“Exhibitors were very friendly and easy to talk to. Made understanding their product or service easier.”

– 2024 Attendee

“ADM was great to discover the innovation side of the industry, the companies presented their ideas and products with a sense of getting more clients attracted to the business.”

– 2024 Attendee
